

Planning a new playground or play area? Don't know where to start?

Here's 5 good reasons to choose an API member

API

Supporting the
UK Play Industry

1. They're professional

Our members are the UK's leading play companies. They only carry the API logo if they abide by our strict professional Code of Conduct which means you are guaranteed outstanding customer service.

2. They're experienced

Our members have a proven track record of quality work. Their expertise, knowledge and skills mean that your work will be carried out to the highest possible standard.

3. They're trustworthy

Our members are regularly monitored for financial stability which means you can enjoy complete peace of mind.

4. They understand...

The importance of safety and comply with all relevant safety standards

The importance of risk and design fun play spaces with built-in challenges

5. They're committed

Our members go the extra mile before, during and after your project which means you will benefit from long-term service and support.

"We prefer to use companies registered with the API as it gives us that extra peace of mind."

Andrea Winterflood, Thurrock Council.
